

The WE WILL! Build in Faith capital campaign fundraising goal is \$10 million. It will cost about \$16 million to build all phases of the project. Bank financing will cover the gap, at terms that are affordable within the church and school operating budgets.

What is happening now on campus?

- Vestry approved moving forward with construction for Phase II - administration offices and stand alone chapel construction.
- Financing has been secured for Phase II construction

What is happening this Fall?

- Construction of required infrastructure improvements for the main campus
- Beginning of construction of administration building and stand alone chapel. Construction began September 2011, with an estimated completion in summer 2012.

Phase III - St. Mark's Parish Hall

Some of the features of St. Mark's Hall include:

- Fine arts area – stage, music rooms and art room
- Rooms for meetings and receptions, prayer groups, scout troops and Parents' Association
- Kitchen with serving lines
- Lunchroom for the children / auditorium
- Classrooms

How will St. Mark's Hall change our lives?

St. Mark's Hall will be a multi-purpose building that will allow us to be able to gather for special presentations and receptions, and witness our band and chorus perform on stage. Several groups will be able to meet at the same time; band and chorus classrooms will be adjacent to the performance space. The well designed kitchen will provide food for the body while other programs hosted in the building will provide food for the soul.

How can I make a Gift?

While we remain in the leadership development phase (gifts of \$250,000+ over a 5-year pledge window), any family prepared to make a gift at this time should call the Capital Campaign Office at (561) 622-1504 x.232.
