

ANNUAL REPORT

2011-2012

*Together*

WE MAKE A DIFFERENCE

*Dear Families and Friends of St. Mark's,*

I am pleased to present our Annual Report for the 2011-2012 school year. The report outlines the collective contributions that add value to the St. Mark's School experience.

Change was evident on the St. Mark's campus during this past school year. The parish hall and pavilion were razed, making room for the church and school administration building as part of the phase II capital improvement project. The new administration building is a visible sign of the relationship of one church, one school. With the completion of the phase II project, we were able to secure the campus and further enhance the safe environment that is highly valued by our St. Mark's community.

Throughout the year, volunteers continued to contribute time and talents to the school under the direction of St. Mark's Parents' Association President, Janna Keller. The lunch program, book fair, community outreach projects, and curriculum enhancements, such as International Day, were all made possible through the commitment of school families and staff.

The school continues to rely on the philanthropic support of our St. Mark's families and friends to enrich the learning experience of its students. This annual report recognizes the donations of those who have contributed to the school through the annual fund, endowment, and special events. We are most grateful for the generosity of all of our constituents who continue to advance the mission of the school.

Please accept my warmest thanks for the time, talents, and resources you gave during the 2011-2012 school year. Your support is truly appreciated. Together we have made a significant difference in the lives of the children at St. Mark's.

Warm Regards,
