

ANNUAL REPORT 2015-2016

YOUR GIFTS help to make our mission come to life.

Dear Families and Friends of St. Mark's,

We are proud to present the *2015-2016 Annual Report* for St. Mark's Episcopal School. This report details the generous charitable giving to the school over the past year. This is a community who understands the importance of philanthropy. A walk around this beautiful campus is all one needs to understand the community's level of dedication to giving.

Annual giving positively impacts all areas of the institution. The strong monetary support coupled with the hundreds, if not thousands, of volunteer hours given to the school each year allows us to move our mission driven programs forward and to implement important new initiatives that benefit all of our students.

These gifts help to make our mission come to life and help our students recognize their talents and gifts. To know that students discovered a passion for the arts, learned to solve complicated math algorithms, developed a love for literature, or honed an athletic ability because they had these opportunities is tremendously exciting!

We are so grateful for your generous and ongoing support of St. Mark's and look forward to many exciting opportunities ahead for our school.

With sincere gratitude,

Deborah A. Strainge
Head of School

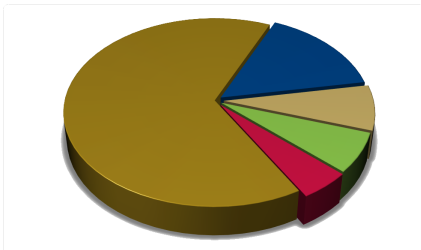

ANNUAL REPORT

Operating Budget

INCOME:

- 98% Registration & Tuition
- 2% Misc. Income

EXPENSES:

- 67% Personnel
- 16% Capital Management
