

2018-2019
ANNUAL REPORT

A LETTER FROM OUR HEAD OF SCHOOL

Dear St. Mark's Families and Friends,

It is with great pride that we present the 2018-2019 Annual Report for St. Mark's Episcopal School. St. Mark's is a vibrant community with a giving heart. That giving spirit is highlighted through the countless volunteer hours shared in the Parents' Association activities, the Auction Committee, the Parent Ambassador Program, the Advancement Committee, the Finance Committee, the Endowment Committee, and the School Advisory Board.

Support of volunteer and fund raising efforts at St. Mark's allows us to maintain an extraordinary level of excellence, enables our teachers to develop and present the best possible program to our students, and is an investment in our current and future students. We celebrate the outstanding results of our 2018-2019 volunteer and fundraising efforts through the completion of the STEM SmartLab and Library renovation, the wonderful shade cover for the athletic field, and most importantly, the many successes of our talented students.

The St. Mark's experience that we enjoy today is a result of the efforts of those who came before us. Your participation and involvement now assures that St. Mark's remains the remarkably special place that we all love so much now and into the future.

Gratefully,

Deb Strainge
